#### **Principal's Message:**

**Happy October everyone! September seems to have flown by and we are into the second month of school already! It has been an excellent start and routines are being established to get to the good stuff.....learning.**

**The students from both FW Gilbert and Pinawa Secondary raised over \$6000 for the Terry Fox Foundation to be used for cancer research. In the past 11 years the total raised is now over \$32,000! It's an amazing feat considering our small population, congratulations!!! We even had some loss of hair due to reaching our goal amounts! Thanks to the staff and students who participated and supervised the event. A special thanks to Madison Backer who led our warm-up to get us moving for our event!**

**It is that time of year when the deer become more aggressive so talk to your children about staying far away from the bucks. I also encourage everyone to speak to your children about bike safety. Review the rules of the road and watch how they ride on the streets.**

**I had the good fortune to be able to ride along on the Grade 7 & 8 Bike trip last week. What a great way to spend time with kids from the school community. I saw kids being resilient when the wind was in their face or the pace was a little too fast, and supportive of each other when someone else was struggling. It was really great to see them participate and feel good about accomplishing such a long ride and then camp for two nights. The FW Gilbert kids have something awesome to look forward to.**

**Four of our students participated in the Athletics Manitoba Provincial Cross Country meet at Kilcona Park in Winnipeg last week as well. It was a great experience with hundreds of kids participating from all over! Ella, Jaida, Nolan and Lochlan were all great ambassadors for FW Gilbert and finished the race with smiles on their faces.**

**Our next PAC meeting and AGM is Monday Oct. 19th at 5:30 pm in the Staffroom. We would love to have as many parents as possible come out and join us. You can make such a big difference in your child's school.**

**Thank you,  
Todd Long**
