Principal's Message:

Happy New Year and welcome back. I wish everyone the very best in 2015 and hope that everyone had a wonderful holiday. The staff and students are back in the swing of things and working hard.

The weather is cold so make sure you send the proper clothing for your child to wear when playing outside. They need snow pants everyday.

The students did a phenomenal job on "Holiday Road Trip", under Mrs. Wryha's guidance. The students felt so professional performing at the high school. It was amazing and I think a new tradition has been born. Families and friends were very impressed with the performances put on by all the students. Thank you! It may have been one of the best concerts ever! Additional thanks go out to Suzanne Rueckert, Julie Remillard, Tanis Rogers and Jen Szatkowski for all their help setting up, organizing, and supporting this wonderful event.

The Gr. 6 Student Council held a RED & GREEN SOCK HOP on the 2nd last Friday before the break. It was wonderful to see all the students participating and dancing with their friends, siblings and teachers in the gym rocking to Rudolph the Red Nosed Reindeer. Thanks to the students and Mrs. Reimer who organized it. It was so much fun!!!!

When dropping off students during the day, remember that all the doors are locked so don't drive off until you see your child enter the building. Call the school if the bell is not working at 753-2559.

Happy New Year!
