Manitoba Public Insurance and F.W. Gilbert are holding a **Bike Safety Rodeo on Wednesday, May 20th in the morning - Rain or Shine – for grades 1 to 6.** MPI will be looking at bikes and helmets for safety purposes as well as discussing road safety with all the students. Please ensure that your child brings their bikes and helmets that day.

Principal's Message:

It is hard to believe we are into the month of May. The baseball and soccer leagues are starting up and spring is finally here. It is nice to see the buds on the trees and some spring flowers out in bloom.

I would like to remind parents to talk to their children about bike safety. We need to encourage them to ride in single file, use their hand signals, wear their helmets and be smart on the bicycles. Remind them that there is no riding their bikes across the parking lot or on school grounds. There have been too many close calls and we need the parents to help us get this message across.

Garden Club has started up and the children are itching to get their hands dirty. They have planted some seeds, put the rain barrels back in order, started some plants from roots and designed some mouse houses. Thanks so much to Kristen Ticknor and Jackie Sturton for the planning and programming that has gone into the Garden Club.

Remember to mark on your calendar and come to our first FWG Barbeque and Cake Auction. Anyone able to help out with the BBQ/kitchen/ticket/cleanup jobs, please let Miyoko Rasmussen know. If you are able to bring a cake for auction, please drop off the cake the day of Thursday, May 28th in the kitchen of the school. The Spring Fling will be held Friday, May 29th, at 12:00 noon. It is open to all. Mrs. Wyrha has planned special entertainment by the students that day. PLEASE phone the school if you are coming.
